GOLFING PROGRAMS

There are two options offered to Sun City Palm Desert residents which are based on the number of anticipated rounds to be played for the year. Please read below for a more detailed description to find out which option best suits your needs. The Pay-As-You-Play plan option is based strictly on residents who anticipate playing a few rounds. For the more avid golfers, we offer a Rate Lock program that offers four (4) different levels of participation, again based on the forecasted number of rounds to be played.

Pay-As-You-Play

Available for all Sun City Palm Desert residents and recommended for individuals who expect to play less than 15 rounds or couples who expect to play less than 25 rounds combined between October 24, 2022 and June 30, 2023.

RATE LOCK PLANS

The rate lock program allows residents to lock in lower rates from October 24, 2022 through June 30, 2023. Each of the plans allows individuals and couples to pay a lower per-round rate by paying an initial rate lock fee. In addition, the program provides reduced rates during the summer months until the first course re-opens from over seeding.

Lottery Booking Options

Residents may enter a lottery that occurs every day for the following week. (i.e. Monday January 2nd, 2023 lottery runs for the playing date of Monday January 9th, 2023) Request for a specific lottery may be entered starting 10 days in advance until 11:00am 7 days in advance. However, there **is no advantage to getting a request in first**. Residents that have guests **may not** enter into a lottery. A group is considered two or more players, with this system having the ability to link up to **sixteen players**. When a request has been made, a request summary email will be sent to the captain of the group. Once the lottery has generated, an email will be sent to the captain either confirming or denying the request. Lottery requests **will not** be accepted by the Pro Shop staff over the phone. The system will not search beyond the parameters of your request. The following method for participating in the lottery system is as follows:

Request via the Internet:

Please visit the Association's main page at www.scpdca.com and log-in as a Resident of Sun City. Note: Resident log-ins are handled by the Association and not the Golf Shop. Once Logged in, click on the golf page and then click on the quick link "Book a Tee Time." The default user name will be your Resident ID Number with the letters **MV** in front. The default password will be the zip code of **92211**. Upon logging on you can select the Tee Time Request section and enter your request. **Note: Residents must use valid resident I.D. #'s when submitting a request.**

*******IMPORTANT NOTE FOR WEEKEND TEE TIMES*******

There is NO LOTTERY for weekend Tee times

Tee times for both Golf Courses on Saturday and Sundays only, may be made 15 days in advance.

Tee Time Booking Options

Outside of the Lottery Booking option, residents have 3 options in which to make a reservation.

Option # 1 - Tee Times via the Internet:

Please visit the Association's main page at www.scpdca.com and log onto the site with your **resident** login. On The Association's home page, click on the golf page and then click on the quick link "Book a Tee Time." The default user name will be your resident ID Number with the letters **MV** in front. The default password will be the zip code of **92211**. Upon logging on you can select the Tee Time Reservations button to search for the day and time you wish to play. You may use this option 7 day out starting at 1:00pm.

Option # 2 - Tee Times via the Pro Shop:

This option **MUST** be used for booking with Guest 8 days in advance. For the period Jan thru April, Monday thru Friday, accompanied guest Tee times will only be allowed after 11:00am. This option **MAY** also be used for reservations 7 days out after 1:00pm.

Option # 3 - Tee Times via the Telephone:

Please call 760-200-2200 Option 5 on the menu, for staff assistance over the phone. To better serve you in a timely manner, please have ready the day, time and course you would like to play.

FAQ (Frequently Asked Questions)

1. Q: What is the lottery system?

A: The EZ Links Lottery system is a program by which tee times are assigned to residents who have selected to play on a specific date. The system combines the entire request for a designated lottery and assigns tee times based on availability and parameters of the request.

2. Q: I received a Tee Time Request Summary email, does this mean I have the time I wanted?

A: No. A tee time request summary email is a confirmation of an impending lottery that you have entered. It does **not** guarantee that you have the time you requested; it is just a listing of what you have requested. Upon completion of the lottery, the system will either send a confirmation or denial email.

3. Q: Why haven't I received any emails for requests or tee times?

A: Either you do not have a valid email address on file or you have a spam filter on your email program. Please see the Pro Shop staff to correct this or add info@ezlinks.com to your email address book.

4. Q: How many players can I make a request for?

A: To enter a lottery you must have **at least** two players and **at most** 16 players.

5. Q: What settings on a lottery request give me the best chance to get the time I need?

A: The larger you set the parameters, the better opportunity any group has of getting a requested time.

6. Q: Can I substitute golfers once tee times have been assigned?

A: Substitutions after the lottery has generated may only be done through the Pro Shop. Substituting is generally not accepted because it discounts the strength of the system.

7. Q: If I request a time between 10:00 a.m. and 11:30 a.m. will I get a time outside of that search window?

A: No, the system will only search for tee times within the time range in which you have entered.

8. Q: On my request I selected the Santa Rosa course but was assigned San Gorgonio, why?

A: Remember the lottery system is a **random** process that offers all of our resident golfers an equal opportunity in obtaining tee times on a weekly basis. It is very important when requesting lottery tee times on certain days (shotgun's, Tuesday, Wednesday and Thursday) that you mark your priority as to course and/or time preference. Please understand that the number of linked players requested in a given lottery can provide more difficulty in obtaining your requested preference.

All golfers must register at either Pro Shop before play can begin unless otherwise approved in advance by the Director of Golf. Residents will be held responsible for all fees pertaining to either themselves or their guests. It is required that all players check in no later than **20 minutes** prior to the time of play.

Reservations

During the calendar year, residents may book a tee time with an accompanied guest eight (8) days in advance. However, for the period Jan thru April, Monday thru Friday, accompanied guest tee times will only be allowed after 11:00am. Residents playing **without an accompanied guest** may use the EZ Links reservation system to enter the lottery or call the Pro Shop seven (7) days in advance after 1:00 p.m. to schedule a tee time. Residents with **Sponsored Guests** may book their tee times six (6) days in advance based on availability.

Cancellations

The Pro Shop requires a 24-hour notice of cancellation for any resident\guest tee time. The purpose of this cancellation policy is to discourage residents from holding tee times from other paying residents that are willing to play. The Pro Shop staff would like to encourage residents to communicate to the staff the need to cancel\change the # of players, etc. The fee would be waived for reasonable emergencies. The rules are as follows:

1st No Show/No Call = Warning via Phone Call or Email from Golf Staff

2nd No Show/No Call = \$25 Fee for each resident\and or guest assigned a tee time.

Tournaments

The Director of Golf has the authority to book outside tournaments and special events with permission from the General Manager. Every attempt will be made to provide adequate notice to the residents announcing tournament dates.

Driving Range

The “per drop” (about 35 balls) price is \$2.00 for residents and \$4.00 for visitors. Driving range bulk use may be purchased at the Santa Rosa Pro Shop in 50-bucket increments for \$1.00 per bucket (\$50 for 50 buckets). The Pro Shop now loads these bulk purchases onto your resident identification card. Please see the Pro Shop for more details.

Dress Code

Proper golfing attire shall be worn at all times on the courses and also on all practice facilities. Shorts or skirts shall be no shorter than mid-thigh in length. **Unacceptable attire** includes blue jeans of any kind, athletic shorts, cut-offs, tennis shorts, tank tops, halter tops, and all similar apparel. Soft spike shoes or Tennis shoes only allowed on premises.

Sweeps Usage

Sweeps may be used for all items in the Pro Shop, including greens fees, merchandise, lessons, range balls, etc. Sweeps **MAY NOT** be used for the purchase of gift cards and are **NON-TRANSFERRABLE**. An item of note regarding the expiration of sweeps for all residents that had earned sweeps in the 2021-2022 fiscal year. These sweeps must be used by June 30, 2023.

Resident Cart Towing Policy

The standard policy of SCPDCA is for staff to NOT TOW any resident cart. Due to insurance regulations we will be more than happy to provide you with a list of service providers that can assist any resident with cart that has broken down.
